

### Task 1 (What will you do if you are hungry?)

If there is food:

I will eat something

Otherwise:

I will buy something

If I have no food or money:

I will look for food in the garden

If the garden is empty:

I will stay hungry until the next meal

End if

### Task 2 (What will my parents do if I get an A+ on this course?)

If I enjoy it:

They will give me similar courses and praise me

Else:

They will congratulate me and find other things I will enjoy

End if

### Task 3 (Describe what you will do if today is your birthday, your sister's birthday, your brother's birthday, your mother's birthday, or your father's birthday.)

If they are free from work:

we will have a birthday party with all the family

Else

We will try to figure out a day where we can celebrate it

End if
